South had a potent influence. They have none now, A voice from this State would be scoffed at as a voice from the rebellion, and, therefore, entitled to no consideration.

Whilst, then, the spontaneous approval of the President's late acts by the people at home is both natural and proper to show to the people of the State that they are united, any noisy demonstration by State conventions or uniss meetings, with any hope of helping the cause outside of the State, is idle and preposterous. It will be used rather to consolidate the Radicals North than to weaken them.
